

SPEAKER 3.0

more than information

Speaker 3.0 is an intensive three-day programme that teaches you to harness all aspects of the communication process.

Using expert instruction, workshop exercises, video feedback and private coaching, we teach you to not just communicate information, but to influence, motivate and mobilise your audience.

Whether from a pulpit, in a boardroom or one on one, *Speaker 3.0* will transform your communication.

“...life changing, ministry changing!”

- **Chris Ellwood**

Senior Pastor, Lincoln Road Bible Chapel

“...an innovative, challenging and releasing approach to dynamic communication...by far, the best 3 days we have ever invested in learning to communicate...”

- **Major Michelle Collins**

Officer Training, Salvation Army New Zealand

PRESENTED BY:

Rob Harley

Rob combines a pastor's heart with an investigative journalist career that has spanned the world for nearly 35 years. Rob's passion and professionalism has seen him recognised with numerous international and local journalism awards and his continued passion for the church and for storytelling sees his speaking calendar filled months in advance. With 3 books published and another 2 in the pipeline, Rob continues to inspire both on the screen, in person and in print.
