Topics for discussion:

- **Follow up from last Fono – any outstanding issues?**
- **Provider updates from each service including case studies on how we work with our people from both the Intervention and Public Health approaches**
- **Strategies for working together (Health Promotion and Intervention)**
- **Evaluation – how to do it**
- **Providers experience on meeting contract requirements**
- **Utilising Niu Tupu (network) meetings to follow up on our outcomes and action**
- **How we work with other providers, Ministry, DIA, NCS, HSC**
- **HSC – Specific Pacific Resources**
- **Other Pacific Events – ensuring gambling presence**
- **Clinical training – coexisting conditions (PH workers welcome)**
