THE SALVATION ARMY QUEENSTOWN CORPS NEWSLINK

The story is told of a town experiencing severe thunderstorms with very high winds. The storyteller's neighbour had a tree which the winds had torn off several large limbs. Because the limbs were large it took him several days to get them cut up and removed. There was one very noticeable thing about the limbs that lay there on the ground tore from the trunk of the tree. They died. This may sound very trite and you may be saying, "Well of course they did! A limb cannot live separated from the tree." I too know this fact, but seeing them lying there dying drilled home the reality, "apart from the tree the limb cannot survive." This fact of nature was used by Jesus as a metaphor for the Christian life.

I am the vine; you are the branches. If a man remains in me and I in him, he will bear much fruit; apart from me you can do nothing. If anyone does not remain in me, he is like a branch that is thrown away and withers; such branches are picked up, thrown into the fire and burned. (John 15:5-6)

We cannot live the Christian life and be fruitful Christians apart from Christ any more than those limbs could live after being tore off the tree trunk. Every branch draws its identity, its sustenance, its life from the vine. No two branches are alike and yet they are all the same. Paradoxical as it is, it is true. Every Christian is unique and yet every Christian is the same. Our identity is derived from the Vine. We are known by the Vine. We receive our sustenance and life from the Vine.

How do you stay connected to the vine?

God bless you

Day of Prayer for Children

The 29th July 2012 is for all members of The Salvation Army throughout the world set aside as the day of prayer for children. This Sunday is chosen because it falls nearest to the significant date, July 30, 1880, when The Salvation Army first began evangelical work among children in England. The theme for this year is 'Cry of My Heart.' The cry of every heart, adult or child is for God. This year we are looking at the deepest

needs of every child being met by relationship with God. We will also look at how in times of trouble and in a dangerous world we can and should cry out to God on our children's behalf.
