God is building His church. It is a family, with Jesus at the head, into which our loving Father is inviting people to join. God welcomes people into His family. He is actively at work in the world, calling people to Himself, establishing and strengthening them in Christ.

So too, we are called to be like our Father in character and purpose. He graciously calls us to partner in His work. We need to warmly welcome people when they visit our Corps, so that, as they meet with us they might clearly hear the good news about the forgiveness Jesus brings and so they may feel the sense of belonging which is theirs by right as a person created and loved by God.

We want to open the front doors of our Corps as wide as possible, doing all we can to welcome people, encouraging them to become part of the family and giving them opportunities to be established in their faith and integrate into Corps life.

To that end, we are establishing a group of people to be the WELCOME and INTEGRATION Team. We are looking for committed people who have experienced the love of God and are endeavouring to live a life worthy of the Gospel to join this team. Are you friendly, caring and faithful? Do you have gifts of hospitality, evangelism, or service? If this offer resonates with you, please come and see us and find out more. It could be a great way for you to serve the Lord.

Blessings,

Kenneth and Catherine

Mission Matters Course

Thursday, November 15 through to December 6, 7-9 pm

One of the key goals of the Salvation Army's Mission Plan is to encourage dynamic disciples to embrace soldiership as a way of fulfilling their membership of Christ's church. We have urgent need of people of passion and purpose who are prepared to commit themselves to advancing God's Kingdom right here in Queenstown. Come along and join in our Mission Matters Course beginning on Thursday, 15 November. Attendance at this 4 week course will help you to be informed. Don't right off soldiership without exploring what it's really all about. You may miss what God wants you to do.

Goal 3:
Stepping up
Together

FEATURE:

Life Groups are a place where no one stands alone!

A Life Group is a place where Christians
can find intimate community, practical
help and intensive spiritual interaction.
What's stopping you from joining a
group this week?

WHAT IS A JUNIOR SOLDIER?

Junior Soldiers are young people aged 7-18 who have made a decision to be a follower of Jesus and who want to grow and express their faith through ministry within the Salvation Army. Junior Soldiers are therefore junior members of The Salvation Army.

The Salvation Army takes seriously the capacity of children to have an authentic relationship with Jesus Christ. This means children are just as capable to participate in the mission of God as adults. Local leaders in The Salvation Army nurture young people on their spiritual journey helping them to develop their faith, their understanding of God, the Bible and the teachings of Jesus and to equip them with skills and values for their everyday living including what they think, say, do and the decisions/choices that they make. Soldiers are challenged to think about the way that they engage with their community and also have the opportunity to participate in special projects that will make a difference in their local or global community.
