Is it a Break-up or a Crack-up?

February 3, 2011

Dear Ladies,

Welcome to a new year filled with interesting, informative and challenging events and workshops. Our theme this year, set by the International leader of Women's Ministries is **'Beyond our Borders'** and I believe it sets before us a challenge! As well as the obvious mission to those in developing and poor countries implied, there are more subtle requirements.

It calls us to get out of our comfort zone, which, let's face it, we love, and spend most of our time in, and interact a little more with our neighbours and colleagues.

It calls us to look beyond ourselves to see those with whom God may be wanting us to share our lives and faith.

And so I set before you, the particular objectives we seek to reach by having Ladies Nite Events and Workshops.

Why do we have Ladies Nite?

We are a group of women who enjoy getting together with other women for fun activities and caring company.

- To meet the needs of Christian women for fellowship and social interaction with interesting activities
- To provide an environment where faith can be shared with women who don't know Jesus as Saviour and Lord
- To be an 'open door' for women into an experience of the church and Christian life

In order to achieve these objectives, we need YOU to come and invite your friends...

We are called to share the treasure within with a world in desperate need of good news and reach out Beyond our Borders!

I pray you will get excited about the potential of being a part of Ladies Nite.

Blessings,
