

Soldier's Covenant Renewal

Having taken time to pray about and reflect on my relationship with God I choose to renew my Soldier's Covenant.

I affirm that I still accept Jesus Christ as my Lord and Saviour.

I affirm that I still desire to fulfil my membership of His Church on earth as a soldier of The Salvation Army and that I have entered into a covenant relationship with Him.

I affirm that I believe and will live by the truths of the Word of God expressed in The Salvation Army's eleven doctrines and that I am committed to the promises I have made in response to those truths as outlined in my Soldier's Covenant.
