NOURISHED.

# welcome to this salvation army 24/7 PRAYER ROOM

This is a space for you to engage in whatever way you feel comfortable with God the Father, the Son and the Holy Spirit. Thank you for your heart – for praying in this room with freedom, hope and a huge range of possibilities!

There are a range of CDs available to help you worship and pray.

There are Bibles, song books and other resources we have available around this room for you to freely use. Please return them once you have finished.

Each station has an A|C|T|S instruction sheet. These are explained further on the next page.

Please feel free to take home the A|C|T|S words cards at each station. We pray they deepen and bless your prayer life with God.

Keep the movement going beyond this room! If you are involved in the Corps, life groups or any other gathering – please share with others vital resources you have found that help you engage with God.

Feel free to share any exercises here you have found helpful.

At the end of your time in the prayer room, we encourage you to record a prayer, vision, or anything you want to share in our 24/7 prayer journal. This will bless the body of believers heaps!
