BACK TO SCHOOL FAMILY BUCKET LIST

As a family, discuss the activities you'd like to complete in the holidays before you head back to school. It could include things to help you prepare for school, or just some summer time fun! Write 'em down below. Here's a few to get you started:

- x *pick some fresh fruit or bake for your (or a neighbour's) lunchboxes*
- x *visit a water playground or pool*
- x *write encouraging notes with chalk outside another family's house*
- x *Read 1 Samuel 16:1-13 to hear how someone small did something scarily BIG for God*
